19<sup>th</sup> March 2020

Dear Parents and Carers,

Due to the recent announcement from the Prime Minister, Boris Johnson that all UK schools must close due to the spread of Coronavirus, we are writing to officially notify you that our school will close at 3pm on 20<sup>th</sup> March.

This is an extremely difficult situation which impacts us all, but we believe that the closure of schools is necessary to ensure their safety, health and wellbeing of everyone and prevent further spread of the virus.

Our staff have been working hard behind the scenes to devise a learning plan to ensure that your child still has the opportunity to continue their studies remotely. Students will have access to an individualised online learning platform that will allow them to work at their level across English, Mathematics and ICT. Bespoke learning work packs will also be sent home for each student, which will allow for them to continue with the work they have completed in school and will contribute towards the completion of their qualifications. In addition to this, remote sessions will be facilitated between a key worker and each student to discuss and track the progress made throughout this period. Specific contact information and further details relating to remote support will be sent home in the coming days.

As soon as we have an official date to re-open, we will communicate this with you via email and the school website.

If you have any questions in the meantime, please call 0151 559 1867 or email us at [info@progress-schools.co.uk](mailto:info@progress-schools.co.uk).

We would like to offer our very best wishes and hope that anybody affected by this unprecedented virus makes a speedy recovery.

Yours sincerely,

Tom Whitlock  
Business and Resources Executive
